

Tequila

Got tequila? We do! Over 200 of them in fact. Tequila and education of tequila is a passion of ours that we take very seriously. If you don't see your favorite here, just ask we can probably get it. First of all, tequila can only be produced in Mexico, in the Tequila region, and must comply with strict Mexican government regulations. In order to satisfy an ever-growing demand and a multitude of consumer's preferences and tastes, tequila is produced in five categories: Mixto, Blanco, Reposado, Anejo, and Extra Anejo. We know you will enjoy our tequila menu.

Reserva / Extra

It is a special Anejo that distillers keep in oak casks for 3 to 8 years. Reserva enters the big leagues of liquor.
