

Anejo or Aged

It is Blanco tequila aged in white oak casks for more than a year. Maximum capacity of the casks should not exceed 600 liters (159 gallons). The amber color and woody flavor are picked up from the oak and the oxidation that takes place through the porous wood develops the unique bouquet and taste.

Tequila	Shot Price	Tequila	Shot Price
1800 ANEJO	9.50	CORRIDO ANEJO	9.50
