

Blanco or Silver Tequila

This is the traditional tequila that started it all. Clear and transparent, fresh from the still tequila is called Blanco (white or silver) and must be bottled immediately after the distillation process. It has the true bouquet and flavor of the blue agave. It is usually strong and is traditionally enjoyed in a "caballito" (2 oz small glass).

Tequila	Shot Price	Tequila	Shot Price
1800 BLANCO	8.75	CORAZON BLANCO	8.75
